RE: RES 19-102-R Authorization

---

Prior to December 2016, the City of Batavia was self-insured for medical expenses incurred by employees enrolled in and covered by the City's medical benefit plan. A covered employee incurred a high-value claim during the time that the City was self-insured. There was a dispute between the hospital and the City regarding the amount owed but the parties have come to a mutually agreeable settlement of this matter in the amount of \$450,000.

Resolution 19-102-R gives the City Administrator authorization to enter into a settlement agreement with the hospital and for payment of the agreed upon amount of \$450,000 in full settlement of all claims with the hospital.
