Thanks for attending Jen!
Absent: Emil Jensen
2. Approved Minutes
3. Fit For Kids: Scott and Joanne are working on ideas to submit the grant. Joanne asked all school principals, BPS admin, vendors, and will sent Scott all the info. May submit for new bike racks, scooter racks and signage to place near bike racks at all 8 schools (bike racks in front and back of schools).
4. McKee and 31: BBC does not support either option: Marking on street or Flashing yellow light over street. We support a road diet and a pedestrian median at Houston. Matt will speak at COW and several BBC members will attend. Need to address how bikers get from Houston to McKee on sidewalk near gas station.
5. Bike Video. Steve and Dave made all the videos and did an outstanding job! Ready to go, and will be used by BATV, city, Park District, Kane County website. Will try to get space in Neighbors; Joanne will send Steve past articles BBC has had in Neighbors.
6. Wayfinding: Sharrows are done and permanent. City has held 2 meetings, and many participants. City has plans to do a lot of what was recommended.
7. 2nd Fridays went well with bike decorating and cutting ribbon for Sharrows. Amy wants reflective tape from trailer for next Main Street event. No riders for night ride. Trail is open for Bike Week near Food Pantry/Water treatment!!! We are not doing anything for Bike Week or Bike to Work Day. Bike Week activities in Aurora: Protected bike lanes, DOT sponsored STRAVA contest, extra areas to ride (taking out some car parking spaces)
8. Bike Ed for 3rd Grade: Program went well; LWS still has to do theirs. Chris Milka shared the power point.
9. Bike to School Day: Went great!! Changed to Friday to due rain. HCS had walking parade, JBN has fruit at table outside, LWS had balloons, stickers given out at all schools,

lots of bikers and walkers. THANK YOU to the police and fire departments who came out to most of the schools and handed out stickers. The Mayor came to HCS. Bike to School signs picked up and stored at BPS buildings and grounds for next year.

10. AGS event: Low attendance; several egg hop events around town
11. Bikes for Batavia: Need more bikes, for adults and children. Got bikes ready for a family of 6, a family of 3, and 2 adults who need bikes to get to work (From TriCity Family Services and St. Vincent de Paul).
12. WellBatavia: June 1 event. Amy is looking for volunteers from 8-1. Need to get trailer there.
13. Bike Sharing: Ryan updated us...need minimum of 10 stations and hoping for 15. County wide. Ryan sent email with all info, and dates for 2 webinars on May 31 and June 6. County will do county wide advertising and Batavia can also get local advertisers.

Compliments of Dave!
