RE: Clean Air Counts

Dear Mayor Schielke:

Thank you for your participation in and continued support of Clean Air Counts. It gives me pleasure to let you know that the Batavia application for Gold level participation has been approved.

The Batavia gold application was completed with great care and accuracy. I specifically would like to compliment the City for its resolution adopting "Green Policies" and we would like to feature it on the Clean Air Counts website as a model policy. I hope that you will continue to participate in Clean Air Counts and seek Platinum level participation.

Congratulations on your achievements in the Clean Air Counts Campaign. An agenda for the upcoming Clean Air Counts Communities meeting has been enclosed. For more information about the Clean Air Counts Campaign or the upcoming meeting on June 12th, please contact Eve Pytel at 312-201-4506.

Sincerely,

David E. Bennett
