RE: ORD 21-22 Authorizing Execution of a Redevelopment Agreement with Marco Limited Partnership Relating to the Building Improvements at 18 E. Wilson St. (CD)

Marco Limited Partnership owns the property at 18 E. Wilson St., formerly First State Bank, which has been leased to business owners intending to open a comedy club called the Comedy Vault. Converting the bank to a nightclub, requires a substantial amount of work, such that the investment would cause the rental amount to be so high that, but for a reasonable incentive, it would be cost prohibitive. As such, City Council recently approved a \$25,000 grant and a \$75,000 low interest loan for the business owners, Michael Knuth and Liz Valaitis, to be used for eligible buildout costs to assist with the more than \$140,000 in improvements they will be making to the building.

Another considerable expense that is necessary for the new use of the building as an entertainment venue is the retrofitting of the building with a fire suppression system. This is a particularly difficult project due to the historical nature of the building. Estimates that the building owner has obtained and provided to the City establish that the cost is around \$137,000. Again, if this cost were built into the lease, but for a reasonable incentive amount, it would be cost prohibitive to proceed with this project.

Ordinarily, staff would not recommend providing additional incentives to a building owner when the tenant business owner has already received a substantial loan/grant. However, staff is recommending a grant of \$25,000 and a \$75,000 loan at a 2% interest rate to the building owner as well for the following reasons.

- Installation of the fire suppression system is critical to the project moving forward since an entertainment use, such as a comedy club, would otherwise not be authorized for the building for safety reasons.
- The building's proposed use as a comedy club fits the City's vision for this area to be the entertainment district in our downtown and has the potential to be the catalyst for other businesses (bars and restaurants) to be attracted to the area in order to capture the attention and patronage from the comedy club's clientele.
- The addition of fire suppression systems to one of our historic downtown buildings protects not only the building itself but adjacent buildings which are close enough together that a fire in one would endanger many other nearby properties.
- The owner of 18 E. Wilson St. owns many downtown properties and, within the last two years alone, has invested more than \$300,000 in maintenance and renovation of several buildings, increasing their curb appeal and the impression of vitality of our downtown business district.

TIF Financial Incentive Terms and Conditions

As such, Marco Limited Partnership is requesting: 1. a TIF grant in the amount of \$25,000; and 2. a loan in the amount of \$75,000 at an interest rate of 2%, to be paid off prior to the expiration of TIF #1 (December 31, 2024).

Staff Recommendation

Staff recommends that the City Council approves ORD 21-22 Authorizing Execution of a Redevelopment Agreement with Marco Limited Partnership Relating to the Building Improvements at 18 E. Wilson St..

EXHIBIT 1

Marco Limited Partnership, 18 East Wilson Street REDEVELOPMENT AGREEMENT

This Agreement made this _____ day of _____, 2020, by and between the City of Batavia, an Illinois municipal corporation, ("City"), and Marco Limited Partnership ("Owner").

R E C I T A L S

A. The City has the authority to promote the health, safety and welfare of the City and its inhabitants, to prevent the spread of blight and to encourage private development in order to enhance the local tax base and create employment, and to enter into contractual agreements with third parties for the purpose of achieving the aforesaid purposes.

B. Owner desires to install a fire suppression system at 18 East Wilson Street and on the property legally described on Exhibit A attached hereto and made a part hereof (the "Property"). The Property lies within the Downtown Tax Increment Finance District #1 redevelopment area (the "Redevelopment Project Area"). Owner has submitted a list of building improvement activities associated with the planned expansion and with cost estimates totaling an amount in excess of \$137,000. City and Owner have agreed that not all such activities are subject to this instant Agreement and that, for the purposes of this Agreement, only those that are shall be known as the "18 E. Wilson Street Sprinkler/Remodel Project" or "Project".

C. Construction and equipment purchase and installation activities that are subject to this Agreement shall be known as the "Project Improvements" and are deemed essential for the business to successfully expand its operations and economic viability. These improvements are eligible for contribution by the City as the "Eligible Project Improvements" and consist of:

- Demolition
- Construction/Frame out
- Electrical
- Plumbing
- Drywall, Paint and Finishing
- Fire Suppression System Equipment
- Necessary Piping and Fittings

The above Project Improvements, eligible for contribution by the City, shall be known as the "Eligible Project Costs" and are estimated to carry a total cost in excess of \$137,000, including a 20% contingency. These estimates may not ultimately reflect the actual costs of these Project Improvements, but in no event shall the City contribute more than \$100,000 in total cumulative costs, or actual costs, whichever is lower. The parties acknowledge that the Owner would not move forward with the Project, to the detriment of the City and its goals for downtown redevelopment, nor would the Project occur without the contributions toward the Project Costs made by the City under this Agreement.

C. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, Sections 11-74.4-1 et seq., of Ch. 24, 111. Rev. Stat., as amended (the "Act"), to finance redevelopment in accordance with the conditions and requirements set forth in the Act.

D. To stimulate and induce the acquisition and redevelopment of the Redevelopment Project Area, and pursuant to the Act, the City adopted the following ordinances ("TIF Ordinances" or "Ordinances"):

Ordinance No.89-80, being an Ordinance Approving the Riverfront Tax Increment Redevelopment Plan and Riverfront Redevelopment Projects;

Ordinance No 89-81, being an Ordinance Designating Riverfront Tax Increment Project Area;

Ordinance No.89-82, being an Ordinance Adopting Tax Increment Financing for Downtown Redevelopment Project," all properly adopted by the City Council of the City of Batavia on December 4, 1989; and

E. For the purpose of contributing a portion of the Project Costs, the City Council contemplates a grant of \$25,000, and a loan to the Owner in an amount not to exceed \$75,000.

FOR AND IN CONSIDERATION of the mutual covenants described above and the agreements contained below, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

I

INCORPORATION OF RECITALS

The recitations set forth in the foregoing recitals are material to this Agreement and are hereby incorporated into and made a part of this Agreement as though they were fully set forth in this Section I, and this Agreement shall be construed in accordance therewith.

II

CERTAIN OWNER'S COVENANTS AND REPRESENTATIONS

Owner represents and covenants to the City as follows:

2.01 Owner shall be governed by, adhere to and obey any and all applicable federal, state and local laws, statutes, ordinances, rules, regulations and executive orders applicable to the Project as may be in effect from time to time, including the ordinances referred in the recitals to this agreement.

2.02 Owner shall proceed diligently to carry out the construction of the Project as required pursuant to this Agreement.

2.03 (i) Owner is a limited liability company organized and validly existing and in good standing under the laws of the State of Illinois; (ii) Owner has the right and power and is authorized to enter into, execute, deliver and perform this Agreement and to execute and deliver the 18 E. Wilson/Marco Limited Partnership Redevelopment Note and Personal Guarantee (“Redevelopment Note and Personal Guarantee”), attached as Exhibit B hereto, incorporated herein and more fully described hereinafter; (iii) the execution, delivery and performance by Owner of this Agreement shall not, by the lapse of time, the giving of notice or otherwise, constitute a violation of any applicable law or breach of any provision contained in Owner's corporation's bylaws, or any instrument or document to which either Owner is now a party or by which it is bound; (iv) Owner is now solvent and able to pay its debts as they mature; (v) there are no actions at law or similar proceedings which are pending or threatened against Owner which might result in any material and adverse change to the Owner's financial condition, or materially affect the Owner's assets as of the date of this Agreement; (vi) the Owner has, or will have prior to receiving any of the payments set forth in this Agreement, all government permits, certificates, consents (including, without limitation, appropriate environmental clearances and approvals) and franchise necessary to continue to conduct its business within the Property; and (vii) no default has been declared with respect to any indenture, loan agreement, mortgage, deed or other similar agreement relating to the borrowing of monies to which the Owner is a party or by which it is bound;

2.04 Owner shall not enter into any transaction during the development of the Project which materially and adversely affects Owner's ability to meet its obligations under the Redevelopment Note (“Adverse Event”). In the event the City reasonably believes such an Adverse Event has occurred and so notifies Owner in writing detailing the Adverse Event, the matter may be cured by Owner by either satisfying the Adverse Event or the posting of a letter of credit or bond in such amount as the City shall reasonably determine, which amount shall not to exceed the amount remaining due on the Note.

2.06 All of the information provided regarding the Project, the Property and Owner is true, correct and complete to the best of Owner's knowledge.

III

CITY'S COVENANTS

3.01 The City represents and warrants that it has authority under Illinois Statutes to execute and deliver and perform the terms and obligations of this Agreement.

IV

CONSTRUCTION OF THE PROJECT

4.01 Owner's Covenant to Redevelop. No later than April 30, 2021, Owner shall submit to the City plans and application for a building permit to undertake the Project.

4.02 Time for Completion of 18 East Wilson Project. Owner, acting under the authority of the City, shall complete construction of the Project Improvements, no later than 180 days after the date of City approval of the plans, and construction must be completed prior to occupancy of that space. In the event Owner has not completed all the build out and secured a certificate of occupancy permit within 180 days, subject to force majeure, the City reserves the right to propose revisions on any of the terms of this Agreement or to terminate the agreement. In the event that the City declares the Agreement terminated, all sums paid out by the City shall be repaid to the City by the Owner within 30 days of the notice of termination.

4.03 Prevailing Wage Act. Owner is responsible for determining whether any portion of the Project Improvements must be completed in compliance with the Prevailing Wage Act 820 ILCS 130/.01 et seq. In the event that the Prevailing Wage Act applies, Owner shall insure that every contract and subcontract, purchase order and invoice (in the event there is no written contract) must contain a written requirement that all work done under such contract, subcontract, purchase order or invoice must be done in compliance with the Prevailing Wage Act, including the obligation to pay not less than the prevailing rates of wages to all laborers, workmen, and mechanics performing work on the Project and in compliance with the requirements of the Illinois Wages of Employees on Public Works Act 820 ILCS 130/1-12, to the extent they are applicable, including without limitation, the submission of certified monthly payroll reports as required by 820 ILCS 130/5. In the event that the Prevailing Wage Act does apply, any failure to timely submit certified monthly payroll reports shall be cause for the withholding of payments otherwise due under this Agreement until compliance with the reporting requirements is achieved. Compliance with the Prevailing Wage Act, to the extent that it applies, shall be the Owner's obligation, and the Owner shall indemnify and hold harmless the City from and against liabilities that might attach for non-compliance. It is acknowledged and agreed that the provisions of this Section 4.03 apply only to the construction of the Project Improvements, and not to the maintenance, repair and or replacement of same following initial construction.

4.04 Compliance with All Other Laws. The Project shall be constructed in accordance with the requirements of this Agreement and shall be in conformity with all applicable laws, ordinances and regulations.

V

COMPLETION

5.01. Issuance of Certificate of Occupancy. After completion of the construction of the Project Improvements in accordance with this Agreement, the issuance by the City of a Certificate of Occupancy for the project space shall be a conclusive determination of satisfaction with respect to the obligations of Owner and its successors and assigns to construct the Project Improvements or cause them to be constructed. The City shall use its best efforts to respond to Owner's written request for a Certificate of Occupancy within 10 days after the City Building Commissioner's receipt thereof, either with the issuance of a Certificate of Occupancy, or with a written statement indicating in adequate detail how Owner has failed to complete the construction in conformity

with this Agreement, or is otherwise in default, and what measures or acts, will be necessary, in the opinion of the City Building Commissioner for Owner to take or perform in order to obtain the certificate. If the City requires additional measures or acts of Owner to assure compliance, Owner shall resubmit a written request for a Certificate of Occupancy upon compliance with the City's response.

VI

UTILITY CONNECTIONS AND PERMIT FEES

6.01 Utility Connections. The Owner shall request and the City shall not unduly deny or delay permission to connect City utilities as may be required to complete the Project.

6.02 Permit Fees. City agrees that Owner shall be obligated to pay, in connection with the construction of the Development, only those building, permit, engineering, right of way and inspection fees that are assessed on a uniform basis throughout the city and are of general applicability to other property within the city.

VII

USE OF MULTIPLE CONTRACTORS

8.01 Notwithstanding anything to the contrary herein contained, Owner has the right to enter into separate contracts for the Project Improvements.

VIII

DISBURSEMENT AND OBLIGATIONS

8.01 Source of Funds for Payment of City's Contribution to Project Costs On December 4, 1989, the City adopted City of Batavia Ordinance 89-82, entitled "Ordinance Adopting Tax Increment Financing for Downtown Redevelopment Project (the "Real Estate Tax Increment Ordinance"). The Real Estate Tax Increment ordinance provides, in part, that ad valorem taxes, if any, arising from the levies upon taxable real property in the Redevelopment Project Area by taxing districts and tax rates determined in the manner provided in Sections 11-74.4-9 (c) of the Act, for each year after the effective date of the Real Estate Tax Increment Ordinance until the obligations issued in respect to the Redevelopment Project Area have been paid, or the termination of the TIF district by operation of law, whichever occurs earliest, which are attributable to the increase in the current equalized assessed valuation of each lot, block, tract or parcel of real property in the Redevelopment Project Area as certified by the Kane County Clerk, all as provided in Sections 11-74.4-8 and 11-74.4-9 of the Act (hereinafter the "Real Estate Tax Increment") shall be allocated to and when collected shall be paid to the County Collector who shall deposit the Real Estate Tax Increment in a special fund entitled "Batavia TIF District No. 1" (the "Special Fund") for the purpose of paying redevelopment project costs and obligations incurred by the City. As of the date of this Agreement, the City has available for deposit in the Special Fund, the full amount of \$100,000.00.

The parties agree that tax increment allocation financing implemented in accordance with the terms and provisions of the Act shall be the only source of City funding for all of the costs of Project Improvements, provided, however, Owner shall pay the amount by which the actual Project Development Project Costs exceeds the total ceiling of \$100,000.00.

8.02 Payments to Owner. The City shall pay a sum not to exceed \$100,000.00, or 100% of the Eligible Project Costs, whichever is less, that sum to be known as known as the Total City Contribution. \$25,000 shall be in the form of a grant, and Owner shall have no obligation to repay this grant, except in accord with the provisions of Section 4.02. The balance of the Total City Contribution shall be made in the form of a loan in the amount not to exceed \$75,000 with a term of 40 months and an annual percentage rate of 2%, for which Owner shall execute the Note attached to this Agreement as Exhibit B at the occasion upon which the City's payments to Owner under this Agreement exceeds \$25,000. The entire total city contribution may only be utilized to pay Eligible Project Costs. Eligible Project Costs shall include any increased costs in any of the Eligible Project Improvements, provided that in no event shall the City be liable for more than \$100,000.00 total cumulative costs.

Owner shall have the right to prepay the unpaid balance owing to the City in advance, in whole or in part, in Owner's sole discretion and without penalty.

In the event Owner fails to make any monthly payment within five (5) days of its due date (the first of the month), and said failure to make the payment continues for a period of thirty (30) days after the provision of written notice of such failure by the City to Owner, then, in that event, the City will have the right to declare this Agreement in default. In the event of such default, the entire existing balance of the loan together with dollars paid pursuant to the TIF Grant shall be immediately due and payable in full.

8.03 Process for City Payment to Owner Payments shall be made as follows:

- Upon presentation by Owner of a written Request for Payment accompanied by an invoice for completed work on Project Improvements, and the City (at its option) inspects or otherwise verifies that the work has been done in accord with this Agreement and state and local codes and ordinances, and that partial or final mechanic lien waivers sufficient to cover the City's portion of the invoiced work have been properly issued, City shall, within 30 days of receipt of such invoice, pay to Owner the amount contained in the invoice.
- Said payments shall be made to Owner until City has paid \$100,000.00 or 100% of the eligible Project costs, whichever is less.
- The City shall pay its share of Eligible Project Improvement Costs, even if individual segments of the Project Improvements exceed individual component estimates, but total City payments shall be capped at \$100,000.00 or 100% of the Project Costs, whichever is less.
- Requests for reimbursement shall be made in minimum increments of \$10,000.00.

8.04 Dissolution of Special Fund. Notwithstanding anything contained in this Agreement or in the Redevelopment Note to the contrary, the City shall pledge and maintain the Special Fund for the purposes stated herein until the first of the following to occur: (i) the failure of Owner to substantially perform the Project Improvements on or before the time specified in Section 4.02; (ii) payment by the City of its Total Project Costs; or (iii) expiration or dissolution of the TIF District.

8.05 Modifications to Project Improvements. Owner may, with the prior written approval of City, reduce excess costs by modifying the Project Improvements, provided that there is full compliance with the Approved Plans.

8.06 Opinions. The Owner shall deliver to City an opinion from the Owner's counsel, in a form acceptable to the City's attorney, providing that the Redevelopment Note is a valid and binding commitment of the Owner, fully enforceable in accordance with its terms.

IX

OWNER RESPONSIBILITY FOR PAYMENT

Beyond City's payment to Owner of the City's contribution, Owner agrees to pay all costs for the Project as may be required for completion. The Owner represents that it has the equity and other financing necessary to complete the Project Improvements.

X

PERFORMANCE

10.01 Time of the Essence. It is understood and agreed by City and Owner that time is of the essence of this Agreement, and that all parties shall make every reasonable effort to expedite the subject matters hereof. It is further understood and agreed that the successful consummation of this Agreement shall require the continued cooperation of City and Owner. Whenever the consent or approval of City is required in order for Owner to accomplish the purposes and intent hereof, such consent shall not be unreasonably withheld or unduly delayed. If such consent or approval is denied, such denial shall be in writing, and shall specify the reason or reasons for such denial.

10.02 Delay. For the purposes of any of the provisions of this Agreement, neither the City nor Owner, as the case may be, nor any successor in interest, shall be considered in breach of, or default in, its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather condition such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or quantity for an abnormal duration, tornadoes or cyclones and other like event or condition beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge the respective obligations hereunder; nor shall either the City or Owner be considered in breach of, or default in its obligations under this

Agreement in the event of a delay resulting from the conduct of any judicial, administrative or legislative proceeding or caused by litigation or proceedings challenging the authority or right of the City to act under the Redevelopment Plan, any of the ordinances, or perform under this Agreement. The City shall diligently contest any such proceedings and any appeals therefrom. The City may settle a contested proceeding at any point, so long as the settlement results in the City's ability to perform pursuant to this Agreement and so long as any such settlement does not impose additional obligations on Owner or increase its obligations under this Agreement, unless by agreement with the Owner. Provided, however, that the party seeking the benefit of the provisions of this Section 10.02 shall, within ten (10) days after the beginning of any such enforced delay, have first notified the other party thereof in writing, and of the cause or causes thereof, and requested an extension for the period of the enforced delay.

10.03 No Waiver by Delay. Any delay by City or Owner in instituting or prosecuting any actions or proceedings or in otherwise exercising its rights shall not operate as a waiver of such rights or to deprive it of or limit such rights in any way (it being the intent of this provision that the City and the Owner should still hope to otherwise resolve the problems created by the default involved). No waiver in fact made by the City with respect to any specific default by Owner should be considered or treated as a waiver of the rights of the City with respect to any other defaults by Owner or with respect to the particular default except to the extent specifically waived in writing. No waiver in fact made by the Owner with respect to any specific default by City should be considered or treated as a waiver of the rights of the Owner with respect to any other defaults by City or with respect to the particular default except to the extent specifically waived in writing.

10.04 Breach. Upon a breach of this Agreement, either of the parties in any court of competent jurisdiction, by any action or proceeding at law or in equity, may secure the specific performance of the covenants and agreements herein contained or may be awarded damages for failure of performance or both. Before any failure of any party to this Agreement to perform its obligations hereunder shall be deemed to be a breach of this Agreement, the party claiming such failure shall notify, in writing, the party alleged to have failed to perform of the alleged failure and shall demand performance. No breach of this Agreement may be found to have occurred if performance has commenced to the reasonable satisfaction of the complaining party within sixty (60) days of the receipt of such notice.

10.05 Inspection Rights. Any previously identified and agreed upon duly authorized representative of the City, at all reasonable times during normal business hours, shall have access at his/her sole risk to the Property for the purpose of confirming Owner's compliance with the Agreement.

XI

INDEMNITY

Owner hereby agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities claims, suits, actions, causes of action and expenses (including without limitation, reasonable attorneys' fees and court costs) suffered or incurred by

the City arising from or in connection with (i) the failure of Owner to perform its obligations under this Agreement or (ii) the failure of Owner or any contractor to pay contractors, subcontractors, or materialmen in connection with the Project Improvements or (iii) material misrepresentations or omissions in this Agreement or any financing documents related thereto which are the result of information supplied or omitted by the Owner or by agents, employees, contractors, or persons acting under the control or at the request of the Owner, or (iv) the failure of Owner to cure any misrepresentations or omissions in this Agreement or any other agreement relating hereto.

XII

CITY'S RIGHT TO AUDIT OWNER'S BOOKS AND RECORDS

Owner agrees that the City shall have the right and authority to review and audit, from time to time, Owner's such books and records as relate to the Project Improvements (including Owner's general contractor's sworn statements, general contracts, subcontracts purchase orders, waivers of lien, paid receipts and invoices) in order to confirm that the City's Funds are or have been expended for purposes of undertaking the Project Improvements. Owner further agrees to incorporate the City's right to audit books and records as described herein into all contracts entered into by Owner with respect to the Project Improvements.

XIX

EQUAL EMPLOYMENT OPPORTUNITY

19.01 Owner, for itself and its successors, assigns, contractors, subcontractors, tenants and lessees, agrees that until the Occupancy Certificate for the Project is issued

(A) Owner shall not knowingly discriminate against any employee or applicant for employment related directly to Project Improvements because of race, religion, color, sex, age, mental or physical disability, national origin or ancestry, sexual orientation, marital status, parental status, military discharge status or source of income, and
