DEPARTMENT OF POLICE

Media Release

City of Batavia Cooling Center Opened
100 N. Island Ave, Batavia Il 60510
June 14, 2022, to June 15, 2022

The National Weather Service has issued an Extreme Heat Advisory beginning June 14, 2022, at 12:00 P.M. through June 15, 2022, at 8:00 P.M. As a result, the City of Batavia has established a Temporary Cooling Center Operation that will be open for the benefit of the elderly, families with small children, and other vulnerable residents.

The Cooling Center will be located at Batavia City Hall, 100 N. Island Ave. While the Center will be open 24 hours a day, we are unable to provide sleeping accommodations, dedicated hygiene or washing facilities, or refrigerators for food storage. When you arrive at the center, please check in at the front desk of the Batavia Police Department.

Severe heat temperatures can be extremely dangerous. Especially at risk are the elderly, infants and young children, people with disabilities and persons taking medication for chronic health conditions. Residents who have at-risk friends, neighbors or relatives should help by checking on them periodically.

Anyone with specific questions regarding the City's Cooling Center should call the Batavia Police Department at 630-454-2500.

Authority: Deputy Chief Eric Blowers
